

PROMO

# MOBILITY MASTER PROMOTION

Next-generation functionality for greater value

## SAVE 70% OFF MOBILITY MASTER

Aruba Mobility Master enables ArubaOS 8.x to deliver live upgrades, active-active redundancy, and more enterprise-class mobility features for always-on network services.

IT professionals managing large networks can quickly deploy new campuses and branches using hierarchical configurations and a choice of virtual or hardware appliance options.

## UPGRADE NOW

Unlock the full capabilities of AOS 8.x:

- Self-optimizing RF management
- Role-based access for advanced security
- 802.11ax-ready infrastructure

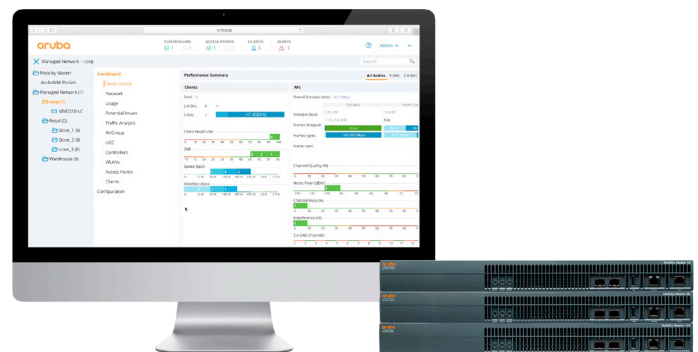

## PROMOTION PERIOD

Start Date: August 1, 2017

End Date: January 31, 2018

Future-proof your network for fast-changing business requirements.

Existing customers can transfer current AOS 6.x licenses to Mobility Master with AOS 8.x at no cost.

For a limited time only, customers get up to 70% off list price of Mobility Master with select bundles. Orders must be placed on or before January 31, 2018 to qualify.

Each Mobility Master bundle includes a Hardware or Virtual Appliance product and 3 years of support.
